

Exciting Management Consulting Opportunity: Senior Consultant

About SDI Management Consulting

SDI Management Consulting is a boutique strategy consultancy with **driven, results-oriented and dynamic consulting team** and **deep industry expertise**. Following our **entrepreneurial mindset**, we have developed a variety of proprietary analytical tools enabling us to **design, deliver and implement best solutions for our clients**. To continuously achieve the highest standards we set for ourselves, we have defined three core values that guide our work:

- Full Client Satisfaction
- Agility and Drive to Achieve Pragmatic High Value Solutions
- On-time Top Quality Delivery even on Tough Projects

Job Description:

SDI Management Consulting is continuously looking for **Senior Consultants** to **join the core SDI team** and deliver **exciting projects**. You can expect a challenging fast-paced environment with **excellent international consulting teams** working on-site with best-in-class industry clients.

Responsibilities:

- Be responsible for on-time delivery of client projects ensuring their full satisfaction
- Lead key project workstreams and smaller projects
- Integrate into the overall consulting team effectively and provide guidance to junior team members
- Gather, analyze and transform information into strategic implications for the client
- Work in close collaboration with senior SDI and client managers, ensuring an effective implementation of defined strategies and initiatives
- Communicate and present results to SDI managers and to clients

Position Requirements:

- Bachelor degree from a top university, advanced degrees (e.g. Master/MBA/PhD) are a plus
- At least 2-3 years of top management consulting experience
- Excellent written and spoken English skills required
- Very good knowledge of all key MS Office applications
- Strong analytical thinking to effectively comprehend and analyze information
- International management consulting experience is a plus
- Willpower and proven determination
- Absolute team player with great self-confidence, solid interpersonal skills and a very good sense of humor
