

Exciting Management Consulting Opportunity: Senior Engagement Manager

About SDI Management Consulting

SDI Management Consulting is a boutique strategy consultancy with **driven, results-oriented and dynamic consulting team** and **deep industry expertise**. Following our **entrepreneurial mindset**, we have developed a variety of proprietary analytical tools enabling us to **design, deliver and implement best solutions for our clients**. To continuously achieve the highest standards we set for ourselves, we have defined three core values that guide our work:

- Full Client Satisfaction
- Agility and Drive to Achieve Pragmatic High Value Solutions
- On-time Top Quality Delivery even on Tough Projects

Job Description:

SDI Management Consulting is continuously looking for **experienced Senior Engagement Managers** to **lead the exciting projects** as well as **build and develop client relationships**. You can expect a challenging fast-paced environment with **excellent international consulting teams** working on-site with best-in-class industry clients.

Responsibilities:

- Be responsible for on-time delivery of client projects ensuring their full satisfaction
- Lead engagement structuring and hypotheses development processes
- Manage SDI project teams and provide guidance to SDI Consultants and Senior Consultants
- Assume project budget responsibility
- Oversee several projects at the same time
- Lead project proposal development and client pitches
- Collaborate with senior SDI Partners / Associate Partners to develop sustainable client relationships

Position Requirements:

- At least 6-7 years of management consulting or other relevant experience
- Advanced degree, such as Master, MBA or PhD from a top university or business school
- Excellent written and spoken English skills required
- Strong analytical thinking to effectively comprehend and analyze information
- Significant international management consulting experience
- Willpower and proven determination
- Absolute team player with great self-confidence, solid interpersonal skills and a very good sense of humor
